Job description

Title	Operator – Structures
Number	TBC
Group	Operations and Infrastructure
Division	City Operations
Reports to	Foreperson and Supervisor - City Operations
Direct reports	N/A
Date	November 2025

Job holder commitment

The job holder accepts as a fundamental requirement of their employment that they must demonstrate a personal commitment to:-

- modelling organisational values at all times
- a safe and healthy work environment
- assisting Council to fulfil its Civil Defence responsibilities

At TCC we uphold the principles of Te Tiriti o Waitangi by engaging in an effective and meaningful partnership with tangata whenua. We are committed to developing our knowledge and understanding of te reo Māori, tikanga Māori, Mātauranga Māori and our partnership with tangata whenua.

Job purpose:

The primary purpose of the **Operator – Structures** role is to repair, maintain and build timber structures to a high standard. This role is a hands-on and physically demanding role. Structures work is varied and can include: installing signage and bollards, building a large variety of fences, maintaining and refreshing sand ladders/ seating/ picnic tables, boxing and placing concrete, maintenance of playgrounds/ skateparks, BBQ cleaning, cleaning sand-traps/ sumps, removal of graffiti, painting and cushion-fill renewal. To be successful in this position you need a wide range of carpentry skills and a natural problem-solving ability.

- Typical hand and power tools used in this role include: drop saw, skill saw, drill, sander, electric wheelbarrow and occasionally a nail gun.
- This role requires lifting of bollards and timber so a knowledge of manual handling is very important. Physical fitness is also key.
- Hours are 7am to 3.30pm, 40-hour week.
