

Job description

Title	Operator – Amenity Cleaning
Number	TBC
Group	Community Services
Division	City Operations
Reports to	Supervisor – Amenity Cleaning
Direct reports	N/A
Date	May 2025

Job holder commitment

The job holder accepts as a fundamental requirement of their employment that they must demonstrate a personal commitment to:-

- modelling organisational values at all times
- a safe and healthy work environment
- · assisting Council to fulfil its Civil Defence responsibilities

At TCC we uphold the principles of Te Tiriti o Waitangi by engaging in an effective and meaningful partnership with tangata whenua. We are committed to developing our knowledge and understanding of te reo Māori, tikanga Māori, Matauranga Māori and our partnership with tangata whenua.

Job purpose

The primary purpose of the Operator – Amenity Cleaning role is maintaining the cleanliness and hygiene of important public spaces, particularly public toilets and water fountains, sports club amenities and office buildings. Clean and hygienic amenities help prevent the spread of germs and bacteria, making these spaces safer for everyone. Regular cleaning and disinfecting also improves the overall experience for people using these facilities, creating a more comfortable and welcoming environment. By keeping the amenities in pristine condition, it is more likely to encourage other users to maintain cleanliness. The Operator will need to work independently, be self-motivated, adhere to the allocated work schedule, have high quality standards, be proactive in fixing minor issues/ cleaning up graffiti and be a great communicator. Honesty, reliability and a strong work ethic are the top three key characteristics required for this role.

- PPE, uniform, and equipment is all supplied.
- Vehicle (not for private use) will be supplied.
- Phone (not for private use) will be supplied.

Routine work

Service and maintain public areas:

- Static mop, sweep, wet mop, buff floors
- Scrub and clean restroom fixtures and keep restrooms supplied with soap, toilet paper and paper towels
- Dust and damp wipe walls, doors, windows, woodwork and other above floor surfaces
- Sand trap clean out
- Removal of rubbish
- Waste receptacle washing
- Scrubbing floor with basic electrical and mechanical cleaning equipment
- Safety checks (vehicle checks, daily job starts)
- Safe storage of equipment
- Safe use of chemicals and cleaning products
- Keep simple records and make simple records
- Notify Supervisor of any equipment of facilities that need repair or replacement
- Perform related work as required and instructed, including emergency work
- Use of the Eroads GPS driver safety system

Key outcomes and responsibilties:

The community always has a positive experience when they use an amenity in our city.

- Work to the set schedule ensuring amenities are rigorously cleaned and restocked multiple times throughout the day, especially during peak times, ensure a clean and hygienic environment.
- Cleaning should include sweeping and /or mopping floors with a disinfectant, cleaning and disinfecting toilets and urinals, and cleaning high-touch areas like sinks, faucets, and door handles. Apply a bowl treatment when necessary.
- More specialised cleaning is also undertaken periodically, including stripping and buffing hard flooring, six-monthly spring cleaning for public toilets with a foam gun, steam cleaner and water blasting.
- Follow all Chemical Safety guidelines when working with cleaning products.
- Clean cleaning equipment properly after each use to prevent the spread of germs.
- Ensure all rubbish is removed appropriately.
